

AMBASSADOR

BECOME A BYF

WHO IS AN AMBASSADOR?

BYF Ambassadors are Industry Professionals in the state of Indiana passionate about sharing their work with students. These professionals volunteer to attend career fairs, hiring fairs, and other networking events with students in order to share about the many different careers available in construction.

HOW DO I SIGN UP?

Complete the application at the bottom of this flyer to join our network! Once you do you will receive monthly emails that contain networking and involvement opportunities. Simply sign up via the email link and a member of the ICRF team will connect with you.

SWAG

ICRF can provide all of the giveaways you need for any event you volunteer for. Once you sign up we will send you a link to complete your swag order and we'll send it your way!

WORKFORCE DEVELOPMENT

Many students don't know about the multitude of opportunities that are available to them. Simply by hearing your story another student may find a career.

RECRUITING

Many events in need of volunteers are hiring fairs full of students looking for work. These are often graduating seniors, but can also include people looking for summer employment or work-based learning jobs.
